You are advised to keep a record of all information you supply to us in connection with this application, including letters.

If your health changes after the application has been signed but before Bupa Asia has approved the insurance, you must notify Bupa Asia immediately of such change. You may be required to provide Bupa Asia with medical reports in relation to this and any other pre-existing conditions.

In view of the following declaration, it is essential that complete information is supplied.

I declare that to the best of my knowledge and belief the information given by me is true and complete, and that, apart from the conditions fully disclosed to Bupa Asia, I and any children to be insured on my policy ("dependants") are in excellent health and do not suffer or have suffered from any recurring illness or physical debility. If insurance for dental treatment is required, neither myself nor my dependants are under or about to undergo dental treatment.

I declare that I (on my and my dependants' behalf) have read the Policy Conditions and this Medical Questionnaire B, and accept that the Policy Conditions together with the Policy Schedule (and the application forms) will represent the insurance contract with Bupa Asia. I also declare that I and my dependants are not residents of the U.S.

I confirm that I (on my and my dependants' behalf) have read the Data Protection Notice below, and give explicit consent for Bupa Asia to use my and my dependants' personal information in the manner and for the purposes stated.

Bupa Asia may exchange your information within the Bupa group and with your intermediary.

Medical information: Bupa Asia may seek and exchange information about your and your dependants' health and treatment with those involved in your and your dependants' care (including your treating doctor and hospital) and their agents, and, if applicable, any person or organisation who may be responsible for meeting your and your dependants' treatment expenses, or their agents, as Bupa Asia deems necessary.

Telephone calls: In the interest of continuously improving our service to customers, your call will be recorded and may be monitored.

Research: Anonymised or aggregated data may be used by Bupa Asia, or disclosed to others, for research or statistical purposes.

Fraud: Information, including recorded telephone calls, may be disclosed to others with a view to preventing or detecting fraudulent or improper claims.

Names and addresses: Bupa Asia does not make the names and addresses of customers available to other organisations (except as stated above).

Keeping you informed: Bupa Asia will, on occasion, keep you informed of its products and services which it considers may be of interest to you. Data protection legislation gives you the right to see documents and information Bupa Asia has recorded about you.
